Warranty and Service Fee's.

**Warranty: At Base covered 1 year Labour / Service. 1 year Parts.
3 month Telephone Support.**

At Base 1 Year Labour/Service Warranty, means the PC and or its peripheral equipment is returned to our workshop. If the client requires the warranty covered service to be performed at their Home/Office, the standard call fee is charged and a pick-up and delivery fee applies if the equipment is returned to our workshop for repair.

1 Year Parts Warranty, means that we will repair or replace any PC part or peripheral equipment in the 1st year effective from Invoiced date of purchase of the equipment. Proof of purchase, Original Invoice (with Serial Numbers) must be presented for any warranty to apply.

3 Month Telephone Support, applies to any work performed or software installed by PC-Bug Fixer. We help where possible, however the use and application of any software is of individual concern and is limited to the installation method of the software if installed by PC-Bug Fixer.

Warranty is void or does NOT apply If, the client or any other third party performs or attempts to perform any service or repair, changes or adds any hardware equipment to the as sold invoiced PC Unit. No warranty or Refund is provided for any part(s) sold which is installed by the client or other third party.

Software Warranty.

Publishers of Software do not provide any warranty other than to replace the original media (CD or Floppy Disk) if faulty, on which the original software was sold. Please remember, once the seal on the software package is broken it cannot be returned.

Remote Service and Phone Service Rates.

The Remote Service and Phone Service rates are the same as the hourly service rates charged for work at our workshop and are \$65.35 per hour or part thereof.

Minimum charge = 1 hour, then in increments to the nearest ¼ hour, i.e. 15 minutes.
